Fade to Cam 2: Pot up mics: LS – Studio Set with Host in standup	HOST: Hello and welcome to TommieTalk, a show where what matters to you matters to us. I'm Pat Hughes, and we have a great show in store for you. College students everywhere seem to be struggling to balance schoolwork and life outside the classroom. Chris Jones, a COJO major and expert in student life, is here today. Chris will be sharing some life tips for surviving college.
Take CG with opening titles. Bring up music and mute mics.	
Take Cam 3: MS – Host	HOST: More and more college students are finding it difficult to stay on top of courses, jobs, internships, and social life simultaneously. Our reporter Terry Smith talked to one student who has found a solution to some of those challenges.
